If you interact with other users or register through a Third-Party Social Media Service, your contacts on the Third-Party Social Media Service may see your name, profile, pictures, and description of your activity. Similarly, other users will be able to view descriptions of your activity, communicate with you and view your profile.
- **With your consent:** we may disclose your personal information for any other purpose with your consent.
- **With law enforcement and legal compliance requirements:** pursuant to law, rules, regulations, standard security industry practices, in connection with a subpoena, discovery request, or other legal/regulatory process compelling the sharing of information.

These third parties will have access to your personal information to perform the tasks assigned to them on our behalf. They are not allowed to disclose or use the information for any other purpose.

## Non-Personal Log Data

When you visit our company website, the Company will collect non-personal information, for statistical purposes, that your browser sends to us called Log Data. This Log Data may include, but is not limited to, information such as your computer's Internet Protocol (IP) address, browser type, browser version, pages of our Service that you visit, the time and date of your visit, the time spent on those pages, unique device identifiers, other diagnostic data, and other statistics.

When you access the service by or through a mobile device, the Company will collect certain information automatically, including, but not limited to, information such as the type of mobile device you use, your mobile device's unique ID, your mobile device's Internet Protocol (IP) address, your mobile operating system, the type of mobile Internet browser you use, unique device identifiers, other diagnostic data, and other statistics.

The Company may also collect information that your browser sends whenever you visit our Service or when you access the Service by or through a mobile device.

## Cookies

Cookies are files with small amounts of data that are commonly used as a unique, anonymous identifier. These are sent to your browser from the website that you visit and are stored on your computer's hard drive.

Paradox Financial Co's website uses these "cookies" to collect information and to improve our Service. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your computer. If you choose to refuse these cookies, you may not be able to use some portions of the Company's website services.

## Links to Other Sites

Our website may contain links to other sites that are not operated by us. If you click on a third-party link, you will be directed to that site. Paradox Financial Co strongly advises you to review the Privacy Policy of these websites, as we have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

## Security

The security of your personal data is important to us, and while we implement reasonable security measures to protect your information, take note that no method of transmission over the Internet or electronic storage is 100% secure. Therefore, we cannot guarantee absolute security.

## Your Choices

You have the right to access, correct, or delete your personal information. To do so, please contact us at [info@paradoxfinancialco.com](mailto:info@paradoxfinancialco.com).

## Changes to This Privacy Policy

Paradox Financial Co may update our Privacy Policy at any time, and we advise you to review the website periodically for any changes. The Company will notify you of any changes by posting the new Privacy Policy on the website. All changes are effective immediately after they are posted on the web page.

## Contact Us

If you have any questions or suggestions about our Privacy Policy, please feel free to contact us by phone at 831-618-1884 or by email at [info@paradoxfinancialco.com](mailto:info@paradoxfinancialco.com).

## Text from IUL Insiders Sample DELETE WHEN DONE

While using Our Service, We may ask You to provide Us with certain personally identifiable information that can be used to contact or identify You. Personally identifiable information may include, but is not limited to:

Usage Data

### **Usage Data**

Usage Data is collected automatically when using the Service.

Usage Data may include information such as Your Device's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that You visit, the time and date of Your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When You access the Service by or through a mobile device, We may collect certain information automatically, including, but not limited to, the type of mobile device You use, Your mobile device unique ID, the IP address of Your mobile device, Your mobile operating system, the type of mobile Internet browser You use, unique device identifiers and other diagnostic data.

We may also collect information that Your browser sends whenever You visit our Service or when You access the Service by or through a mobile device.

### **Information from Third-Party Social Media Services**

The Company allows You to create an account and log in to use the Service through the following Third-party Social Media Services:

- Google
- Facebook
- Twitter
- TikTok
- Youtube
- LinkedIn
- Any others we may use

If You decide to register through or otherwise grant us access to a Third-Party Social Media Service, We may collect Personal data that is already associated with Your Third-Party Social Media Service's account, such as Your name, Your email address, Your activities or Your contact list associated with that account.

You may also have the option of sharing additional information with the Company through Your Third-Party Social Media Service's account. If You choose to provide such information and Personal Data, during registration or otherwise, You are giving the Company permission to use, share, and store it in a manner consistent with this Privacy Policy.

### **Tracking Technologies and Cookies**

We use Cookies and similar tracking technologies to track the activity on Our Service and store certain information. Tracking technologies used are beacons, tags, and scripts to collect and track information and to improve and analyze Our Service. The technologies We use may include:

- **Cookies or Browser Cookies.** A cookie is a small file placed on Your Device. You can instruct Your browser to refuse all Cookies or to indicate when a Cookie is being sent. However, if You do not accept Cookies, You may not be able to use some parts of our Service. Unless you have adjusted Your browser setting so that it will refuse Cookies, our Service may use Cookies.
- **Flash Cookies.** Certain features of our Service may use local stored objects (or Flash Cookies) to collect and store information about Your preferences or Your activity on our Service. Flash Cookies are not managed by the same browser settings as those used for Browser Cookies. For more information on how You can delete Flash Cookies, please read "Where can I change the settings for disabling, or deleting local shared objects?" available at [https://helpx.adobe.com/flash-player/kb/disable-local-shared-objects-flash.html#main\\_Where\\_can\\_I\\_change\\_the\\_settings\\_for\\_disabling\\_or\\_deleting\\_local\\_shared\\_objects](https://helpx.adobe.com/flash-player/kb/disable-local-shared-objects-flash.html#main_Where_can_I_change_the_settings_for_disabling_or_deleting_local_shared_objects)
- **Web Beacons.** Certain sections of our Service and our emails may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit the Company, for example, to count users who have visited those pages or opened an email and for other related website statistics (for example, recording the popularity of a certain section and verifying system and server integrity).

Cookies can be "Persistent" or "Session" Cookies. Persistent Cookies remain on Your personal computer or mobile device when You go offline, while Session Cookies are deleted as soon as You close Your web browser. You can learn more about cookies here: [Cookies by TermsFeed Generator](#).

We use both Session and Persistent Cookies for the purposes set out below:

#### **Necessary / Essential Cookies**

Type: Session Cookies

Administered by: Us

Purpose: These Cookies are essential to provide You with services available through the Website and to enable You to use some of its features. They help to authenticate users and prevent fraudulent use of user accounts. Without these Cookies, the services that You have asked for cannot be provided, and We only use these Cookies to provide You with those services.

#### **Cookies Policy / Notice Acceptance Cookies**

Type: Persistent Cookies

Administered by: Us

Purpose: These Cookies identify if users have accepted the use of cookies on the Website.

#### **Functionality Cookies**

Type: Persistent Cookies

Administered by: Us

Purpose: These Cookies allow us to remember choices You make when You use the Website, such as remembering your login details or language preference. The purpose of these Cookies is to provide You with a more personal experience and to avoid You having to re-enter your preferences every time You use the Website.

For more information about the cookies we use and your choices regarding cookies, please visit our Cookies Policy or the Cookies section of our Privacy Policy.

### **Use of Your Personal Data**

The Company may use Personal Data for the following purposes:

**To provide and maintain our Service**, including to monitor the usage of our Service.

**To manage Your Account:** to manage Your registration as a user of the Service. The Personal Data You provide can give You access to different functionalities of the Service that are available to You as a registered user.

**For the performance of a contract:** the development, compliance and undertaking of the purchase contract for the products, items or services You have purchased or of any other contract with Us through the Service.

**To contact You:** To contact You by email, telephone calls, SMS, or other equivalent forms of electronic communication, such as a mobile application's push notifications regarding updates or informative communications related to the functionalities, products or contracted services, including the security updates, when necessary or reasonable for their implementation.

**To provide You** with news, special offers and general information about other goods, services and events which we offer that are similar to those that you have already purchased or enquired about unless You have opted not to receive such information.

**To manage Your requests:** To attend and manage Your requests to Us.

**For business transfers:** We may use Your information to evaluate or conduct a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of Our assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which Personal Data held by Us about our Service users is among the assets transferred.

**For other purposes:** We may use Your information for other purposes, such as data analysis, identifying usage trends, determining the effectiveness of our promotional campaigns and to evaluate and improve our Service, products, services, marketing and your experience.

We may share Your personal information in the following situations:

- **With Service Providers:** We may share Your personal information with Service Providers to monitor and analyze the use of our Service, to contact You.
- **For business transfers:** We may share or transfer Your personal information in connection with, or during negotiations of, any merger, sale of Company assets, financing, or acquisition of all or a portion of Our business to another company.
- **With Affiliates:** We may share Your information with Our affiliates, in which case we will require those affiliates to honor this Privacy Policy. Affiliates include Our parent company and any other subsidiaries, joint venture partners or other companies that We control or that are under common control with Us.

- **With business partners:** We may share Your information with Our business partners to offer You certain products, services or promotions.
- **With other users:** when You share personal information or otherwise interact in the public areas with other users, such information may be viewed by all users and may be publicly distributed outside. If You interact with other users or register through a Third-Party Social Media Service, Your contacts on the Third-Party Social Media Service may see Your name, profile, pictures and description of Your activity. Similarly, other users will be able to view descriptions of Your activity, communicate with You and view Your profile.
- **With Your consent:** We may disclose Your personal information for any other purpose with Your consent.

### **Retention of Your Personal Data**

The Company will retain Your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use Your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

The Company will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of Our Service, or We are legally obligated to retain this data for longer time periods.

### **Transfer of Your Personal Data**

Your information, including Personal Data, is processed at the Company's operating offices and in any other places where the parties involved in the processing are located. It means that this information may be transferred to — and maintained on — computers located outside of Your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from Your jurisdiction.

Your consent to this Privacy Policy followed by Your submission of such information represents Your agreement to that transfer.

The Company will take all steps reasonably necessary to ensure that Your data is treated securely and in accordance with this Privacy Policy and no transfer of Your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of Your data and other personal information.

### **Disclosure of Your Personal Data**

#### **Business Transactions**

If the Company is involved in a merger, acquisition or asset sale, Your Personal Data may be transferred. We will provide notice before Your Personal Data is transferred and becomes subject to a different Privacy Policy.

#### **Law enforcement**

Under certain circumstances, the Company may be required to disclose Your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).

#### **Other legal requirements**

The Company may disclose Your Personal Data in the good faith belief that such action is necessary to:

- Comply with a legal obligation

- Protect and defend the rights or property of the Company
- Prevent or investigate possible wrongdoing in connection with the Service
- Protect the personal safety of Users of the Service or the public
- Protect against legal liability

### **Security of Your Personal Data**

The security of Your Personal Data is important to Us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While We strive to use commercially acceptable means to protect Your Personal Data, We cannot guarantee its absolute security.

### **Children's Privacy**

Our Service does not address anyone under the age of 13. We do not knowingly collect personally identifiable information from anyone under the age of 13. If You are a parent or guardian and You are aware that Your child has provided Us with Personal Data, please contact Us. If We become aware that We have collected Personal Data from anyone under the age of 13 without verification of parental consent, We take steps to remove that information from Our servers.

If We need to rely on consent as a legal basis for processing Your information and Your country requires consent from a parent, We may require Your parent's consent before We collect and use that information.

### **Links to Other Websites**

Our Service may contain links to other websites that are not operated by Us. If You click on a third party link, You will be directed to that third party's site. We strongly advise You to review the Privacy Policy of every site You visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

### **Changes to this Privacy Policy**

We may update Our Privacy Policy from time to time. We will notify You of any changes by posting the new Privacy Policy on this page.

We will let You know via email and/or a prominent notice on Our Service, prior to the change becoming effective and update the "Last updated" date at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.

## A. Introduction

---

[Your Company Name] ("we," "us," or "our") is committed to protecting your privacy. This Privacy Policy outlines how we collect, use, disclose, and safeguard your personal information.

## B. Information We Collect

---

### a) Personal Information:

When provided voluntarily by individuals, we may collect personal information such as names, addresses, email addresses, and phone numbers.

### b) Non-Personal Information:

For statistical purposes, we may also collect non-personal information such as browser type, operating system, and IP address.

## C. How We Use Your Information

---

We may use the collected information for purposes, including but not limited to:

- a) Providing and personalizing our services.
- b) Processing transactions and delivering products.
- c) Sending periodic emails related to your orders or inquiries.

## D. Disclosure of Information

---

We do not sell, trade, or otherwise transfer your personal information to third parties without your consent, except as set forth in this Privacy Policy.

### a) Third-Party Service Providers:

We may share information with third-party service providers who assist us in operating our website, conducting our business, or servicing you.

### b) Legal Compliance:

We may disclose information when required by law or in response to lawful requests by public authorities.

Data disclosure laws vary between countries, and even within countries, they can be subject to federal, state/provincial, and local regulations. In the United States and Canada, data disclosure laws encompass a combination of federal and provincial/state regulations. I'll provide you with a brief overview of the major federal laws in both countries.

#### United States:

##### 1. Federal Trade Commission Act (FTC Act):

· Overview: The FTC Act broadly prohibits unfair and deceptive practices in commerce, including the unauthorized disclosure of personal information.

· Enforcement: The Federal Trade Commission (FTC) enforces the FTC Act.

## 2. Gramm-Leach-Bliley Act (GLBA):

- Overview: Primarily applicable to financial institutions, GLBA requires these institutions to protect the privacy and security of consumer financial information.
- Enforcement: Various federal agencies, including the FTC, have enforcement authority.

## 3. Health Insurance Portability and Accountability Act (HIPAA):

- Overview: Applies to protected health information held by covered entities and their business associates. It sets standards for the privacy and security of health information.
- Enforcement: The Department of Health and Human Services (HHS) is responsible for enforcing HIPAA.

## 4. Children's Online Privacy Protection Act (COPPA):

- Overview: COPPA regulates the online collection of personal information from children under 13. It requires obtaining parental consent.
- Enforcement: The FTC enforces COPPA.

## 5. California Consumer Privacy Act (CCPA):

- Overview: State-level legislation granting California residents specific privacy rights and imposing obligations on businesses handling their personal information.
- Enforcement: The California Attorney General can enforce the CCPA.

## Canada:

### 1. Personal Information Protection and Electronic Documents Act (PIPEDA):

- Overview: Applies to private-sector organizations engaged in commercial activities. It regulates the collection, use, and disclosure of personal information.
- Enforcement: The Office of the Privacy Commissioner of Canada (OPC) oversees PIPEDA compliance.

### 2. Provincial Legislation:

- In addition to PIPEDA, some provinces have their own privacy legislation. For example, Alberta and British Columbia have their own private-sector privacy laws.

Please be advised these laws are subject to change, and new regulations may be introduced. Always consult with legal professionals to ensure compliance with the latest data disclosure laws that apply to your specific circumstances.

You have the right to access, correct, or delete your personal information. To do so, please contact us at [your email address].

## G. Security

---

We implement reasonable security measures to protect your information. However, no method of transmission over the Internet or electronic storage is completely secure.

## H. Changes to this Privacy Policy

---

We reserve the right to update this Privacy Policy at any time. Changes will be effective immediately upon posting to the website.

## I. Contact Us

---

If you have any questions or concerns about this Privacy Policy, please contact us at [your contact information].

## Additional info

---

Please adapt this template to reflect the specific details of your business and ensure compliance with relevant laws. It's also advisable to seek legal advice to ensure your privacy policy aligns with the latest regulations.

Where to find more information regarding the Privacy Policy

To provide a clear description of the Privacy and Policy practiced by a company, please consult the following laws and documents regarding the data processing policy in the online environment:

### 1. Legal Texts and Government Websites:

- Review the actual legal texts of the laws mentioned. This might include the Federal Trade Commission Act, Gramm-Leach-Bliley Act, Health Insurance Portability and Accountability Act (HIPAA), Children's Online Privacy Protection Act (COPPA), and the California Consumer Privacy Act (CCPA) for the United States, and the Personal Information Protection and Electronic Documents Act (PIPEDA) for Canada.

- Access official government websites, such as the Federal Trade Commission (FTC) in the U.S., the Department of Health and Human Services (HHS), and the Office of the Privacy Commissioner of Canada (OPC).

### 2. Legal Journals and Publications:

Explore legal journals and publications that cover privacy and data protection issues. These may provide in-depth analyses, case studies, and interpretations of relevant laws.

Please be advised these sources are direct links to the legal texts of the respective laws. Keep in mind that legal sources are subject to change, and it's essential to check for the latest versions and amendments. Additionally, interpretations of laws may be influenced by court decisions, so legal databases and journals can provide insights into the evolving landscape of data privacy regulations.

#### 3. Online Legal Databases

Utilize online legal databases like Westlaw, LexisNexis, or other similar platforms. These databases provide access to a wide range of legal materials, including statutes, regulations, and case law.

#### 4. Academic Papers

Search for academic papers written by legal scholars or experts in the field. Journals and databases like JSTOR, LegalTrac, or Google Scholar can be useful.

#### 5. Government Reports and Publications

Look for reports and publications from government agencies responsible for enforcing data protection laws. For instance, reports from the FTC or the OPC may provide insights into regulatory practices.

#### 6. Official Government Gazette

Check official government gazettes for the publication of laws and regulations. These are often the primary sources for legal texts.

Remember to verify the latest information, as laws can be amended, new regulations can be introduced, and interpretations of existing laws may evolve. Additionally, consulting with legal professionals is crucial for obtaining tailored advice and staying compliant with the most current legal requirements.
